McHenry / Pierce Housing Authority and Minot Housing Authority provide housing assistance programs designed to assist moderate and low-income families. Department of Housing and Urban Development (HUD) regulations require that public housing agencies (PHA's) provide assistance based on *income-targeting*. This applies only to new admissions and begins anew each fiscal year.

Section 8 Housing Choice Voucher Program, the "75/25 Rule": A minimum of 75 percent of families admitted to the program cannot exceed the 30 percent income limit. Likewise, a maximum of 25 percent of families admitted cannot exceed the 50 percent income limit.

Income limits are established by HUD and adjusted from time to time. Many variables affect a family's adjusted income. During the interview and verification process, an Occupancy Specialist will make a final determination of income. However, the following table may assist you in pre-determining your possible eligibility.

*Income Limits table effective May 16, 2023 for McHenry & Pierce Counties.
HUD has established that the median family income is \$99,600/98,100 respectively for a family of four.*
